

Society for Psychotherapy Research Annual Meeting – June 2024

Saturday | 12:00-13:00 | CRX C240 (350)

150. INTEREST SECTION MEETING Interest Group Meeting: Child, adolescent, and family therapy

Panels including Child, Adolescent or Family research

Thursday | 8:30-10:00 | CRX 407 (54)

24. PANEL [IN PERSON]

Organizer: Inga Blom, Lenox Hill Hospital/Northwell Health

CE

Attachment research and practice that informs contemporary clinical work with new and expecting parents: Supporting growth and change across generations

The therapy relationship in psychotherapy for a same sex couple coping with fertility and loss.
Rayna Markin, Villanova University, USA

How Emotional Neglect and Race Impacts Suicidal Ideation During the Perinatal Period. Antonia Hope, Yeshiva University, New York, USA; and Kelsey Armusewicz, Montefiore Medical Center

Mentalizing Motherhood: Sources of risk and resilience that influence the treatment of perinatal mood and anxiety disorders (PMADS). Inga Blom, Lenox Hill Hospital/Northwell Health Discussant: Jordan Bate, Yeshiva University, New York, USA Panelists: Rayna Markin, Villanova University, USA; Inga Blom, Lenox Hill Hospital/Northwell Health; Antonia Hope, Yeshiva University, New York, USA; Kelsey Armusewicz, Montefiore Medical Center

Thursday | 8:30-10:00 | Virtual Room 3

31. BRIEF PAPER SESSION Brief paper session 7: Other 1

Moderator: Leandro Casari, Consejo Nacional de Investigaciones Científicas y Técnicas (CONICET)

Psychometric Properties of the Therapeutic Alliance Scale for Children – Therapist form. Leandro Casari, Consejo Nacional de Investigaciones Científicas y Técnicas (CONICET); Malenka Areas, Universidad de Buenos Aires, Argentina; Beatriz Gómez, Aigle Foundation; Mirta Ison, Consejo Nacional de Investigaciones Científicas y Técnicas (CONICET); Andrés Roussos, Consejo Nacional de Investigaciones Científicas y Técnicas (CONICET); and Juan Martin Gomez Penedo, University of Kassel, Germany

Navigating Reflective Supervision in Child Protection: A Case Study on Working with Aggrieved Parent. TingYu Su, Fu Jen Catholic University, Taipei, Taiwan

Transdiagnostic Exploration of Core Fears Online. Elad Zlotnick, Hebrew University, Jerusalem, Israel; Snir Barzilai, Hebrew University, Jerusalem, Israel; Hila Sorka, Hebrew University, Jerusalem, Israel; and Jonathan Huppert, Hebrew University, Jerusalem, Israel

Society for Psychotherapy Research Annual Meeting – June 2024

Counselling-Psychotherapy: With breathing exercises, Mediations, Asanas, and Indian food.
Sudharani Basangari-Kaspret, Private Practice

Thursday | 8:30-10:00 | CRX C140 (350)

26. PANEL [IN PERSON] Client, therapist, and relational predictors and processes of psychotherapy: A closer examination of therapeutic skills, interpersonal factors, and personalization

Organizer: Hongjun Tan, Penn State University, University Park, USA

Are therapeutic techniques linked to interpersonal styles? Hongjun Tan, Penn State University, University Park, USA; Andrew McAleavey, Helse Førde; and Louis Castonguay, Penn State University, University Park, USA

Association of machine learning rated supportive counseling skills with psychotherapy outcome. Xinyao Zhang, University of Utah, Salt Lake City, USA; Simon Goldberg, University of Wisconsin, Madison, USA; Michael Tanana, University of Utah, Salt Lake City, USA; Lauren Weitzman, University of Utah, Salt Lake City, USA; Shrikanth Narayanan, University of Southern California, Los Angeles, USA; David Atkins, University of Washington, Seattle, USA; and Zac Imel, University of Utah, Salt Lake City, USA

Unpacking the Heterogeneity in Adolescent Anxiety and its Relation to CBT Mobile App Treatment Outcomes: A Machine Learning Analysis and Implications for Personalization. Ben Giber, Weill Cornell Institute of Geriatric Psychiatry, Department of Psychiatry, Weill Cornell Medicine, New York, USA; Jennifer Bress, Weill Cornell Institute of Geriatric Psychiatry, Department of Psychiatry, Weill Cornell Medicine, New York, New York, USA; Maddy Schier, Weill Cornell Medicine; Zareen Mir, Weill Cornell Medicine; Jihui Lee, University of Pittsburgh, Pittsburgh, USA; Avital Falk, Weill Cornell Medicine; Faith Gunning, Weill Cornell Medicine; and Nili Solomonov, Cornell University, US

The Crossover Effects of Mindfulness in Couple Relationships: A Meta-Analysis. Sin U Lam, University of Wisconsin, Madison, USA; Siyan Gao, University of Wisconsin, Madison, USA; Caroline Swords, University of Wisconsin, Madison, USA; Simon Goldberg, University of Wisconsin, Madison, USA; and William Hoyt, University of Wisconsin, Madison, USA Discussant: Simon Goldberg, University of Wisconsin, Madison, USA Panelists: Hongjun Tan, Penn State University, University Park, USA; Xinyao Zhang, University of Utah, Salt Lake City, USA; Ben Giber, Weill Cornell Institute of Geriatric Psychiatry, Department of Psychiatry, Weill Cornell Medicine, New York, USA; Sin U Lam, University of Wisconsin, Madison, USA

Thursday | 10:30-12:00 | CRX C240 (350)

42. PANEL [IN PERSON] Can deliberate practice help therapists' internal skills flourish?

Organizer: Jordan Bate, Yeshiva University, New York, USA

Society for Psychotherapy Research Annual Meeting – June 2024

Moderator: Rebecca Frisch, Yeshiva University, New York, USA

CE

Deliberate Practice for Inner Psychotherapy Skills and Therapist Mindfulness and Presence. Edmund Orłowski, University at Albany/SUNY, USA; and Myrna L. Friedlander, University of Albany

Can deliberate practice help students with mindfulness and reflectiveness? Training considerations for child and adolescent studenttherapists. Rebecca Frisch, Yeshiva University, New York, USA

Deliberate Practice Makes Perfect? The Effects of DP on Affect Phobia, Emotional Avoidance and Countertransference. Colleen Doyle, Yeshiva University, New York, USA

Discussant: Bruce Wampold, University of Wisconsin, Madison, USA Panelists: Rebecca Frisch, Yeshiva University, New York, USA; Colleen Doyle, Yeshiva University, New York, USA; Edmund Orłowski, University at Albany/SUNY, USA

Thursday | 10:30-12:00 | CRX 407 (54)

39. BRIEF PAPER SESSION Brief paper session: Method 1

Moderator: Jennifer O'Donnell, British Association for Counselling and Psychotherapy

Peer support interventions for care home staff: a scoping review. Jennifer O'Donnell, British Association for Counselling and Psychotherapy; Noelle Robertson, University of Leicester, UK; and Fawn Harrad-Hyde, University of Leicester, UK

Barriers and facilitating factors during implementation of family therapy in Public Mental Health Services in Chile: Experts' perspectives. Marcia Salinas, Universidad de Chile, Santiago; and Diana Rivera, Pontificia Universidad Católica de Chile, Santiago

Nature-based approaches for helping older Canadian adults to manage difficult eco-emotions. Nathalie Robinson, Saint Paul University, Ottawa, Canada; and Christian R. Bellehumeur, Saint Paul University, Ottawa, Canada

Personality functioning of patients qualified for intensive group psychotherapy treatment. Michal Mielimaka, Jagiellonian University Medical College Department of Psychotherapy; Krzysztof Rutkowski, Jagiellonian University Medical College; Jerzy Sobanski, Jagiellonian University Medical College; Katarzyna Klasa, Jagiellonian University Medical College; Joanna Mostowik, University Hospital in Krakow, Poland; Patrycja Jeda, Jagiellonian University Medical College; Aleksandra Sciegienny, University Hospital in Krakow, Poland; and Edyta Dembinska, Jagiellonian University Medical College

Multimodal, Valence-enhanced Approach-Avoidance Modification Training for Individuals suffering from Social Phobia – A Feasibility Study. Hannah Streit, Friedrich Alexander Universität Erlangen-Nürnberg; Lena Merkt, Friedrich-Alexander-Universität Erlangen-Nürnberg (FAU); and Matthias Berking, Friedrich-Alexander-Universität Erlangen-Nürnberg

Society for Psychotherapy Research Annual Meeting – June 2024

Thursday | 16:00-17:00 | CRX 040 (50)

56. BRIEF PAPER SESSION Brief paper session: Adolescent 2

Moderator: Rebecca Shields, SUNY Upstate Medical University, Syracuse, USA

Predictors of Suicidal Behaviors in Adolescents and Young Adults. Rebecca Shields, SUNY Upstate Medical University, Syracuse, USA; Jessica Helfrich, SUNY Upstate Medical University, Syracuse, USA; and Robert Gregory, SUNY Upstate Medical University, Syracuse, USA

Dynamic Deconstructive Psychotherapy Versus Brief Intervention and Contact plus Usual Care for Suicidal Youth and Young Adults. Robert Gregory, SUNY Upstate Medical University, Syracuse, USA; Jessica Helfrich, SUNY Upstate Medical University, Syracuse, USA; and Rebecca Shields, SUNY Upstate Medical University, Syracuse, USA

From working with clients' internal world to external world: The clinical challenges of psychologists working in college counseling centers. An-Hua Yeh, Chung Yuan Christian University, Taiwan

Attachment in Danish Foster Parent/Child Dyads. Nina Thorup Dalgaard, VIVE The Danish Center for Social Science Research; and Maiken Pontoppidan, VIVE - the Danish center for social science research

Thursday | 16:00-17:00 | CRX 407 (54)

60. BRIEF PAPER SESSION Brief paper session 4: Adolescent 1

Moderator: Jessica Lakmaker, Manchester University, UK

Gender identity and response to psychotherapy in suicidal adolescents. Jessica Helfrich, SUNY Upstate Medical University, Syracuse, USA; Rebecca Shields, SUNY Upstate Medical University, Syracuse, USA; and Robert Gregory, SUNY Upstate Medical University, Syracuse, USA

Exploring teacher's and young people's perceptions and experiences of student-teacher relationships, in relation to young people's mental health. Jessica Lakmaker, Manchester University, UK

Recognition in children's mental health practice. Marisa Barnhart, York University, Canada

Thursday | 16:00-17:00 | CRX C440 (36)

64. BRIEF PAPER SESSION Brief paper session: Mentalization 1

Moderator: Nathaniel Lovell-smith, Penn State University, University Park, USA

Exploration of Four Measures of Mentalizing in the Course of Three Treatments for BPD. Nathaniel Lovell-smith, Penn State University, University Park, USA; Daniel S Spina, Penn State University, University Park, USA; and Ken Levy, Penn State University, University Park, USA

Society for Psychotherapy Research Annual Meeting – June 2024

Ugandan Caregivers' Content Relevance and Mental State Talk as Predictors of Preschool Children's Mental State Talk. Geoff Goodman, Emory University; Valeda Dent, Emory University; and Ayşenur Coşkun, Koç University, Turkey

Mentalization based group therapy (MBT) for adults with ADHD: first results of a multi-centre process and outcome study. Lenka Staun, International Psychoanalytic University Berlin, Germany

Thursday | 16:00-17:00 | CRX 308 (63) *This panel starts at 3:30 pm.

58. PANEL [IN PERSON] Advancing Psychotherapy Research with Artificial Intelligence: Opportunities and Challenges

Organizer: Dana Atzil-Slonim, Bar-Ilan University

Moderators: Dana Atzil-Slonim, Bar-Ilan University; Katie Aafjes-van Doorn, Yeshiva University, New York, USA

Development of an Automated Measure of Therapists' Skills: A Multi-Modal Proof of Concept. Katie Aafjes-van Doorn, Yeshiva University, New York, USA; and Marcelo Cicconet, Deliberate.AI

Evaluating the Competence of AI versus Human Therapists in Tailoring Interventions for Patient Needs. Dana Atzil-Slonim, Bar-Ilan University; Dana Rafael, Bar-Ilan University; Ayal Klein, Bar-Ilan University; Anmol Goel, Computer Science Dept., Technical University Darmstadt, Germany; and Iryna Gurevych, Computer Science Dept., Technical University Darmstadt, Germany

Predicting States of Elevated Negative Affect and Future Depressive Symptoms in Adolescents via Text Analysis. Hadar Fisher, Harvard Medical School; and Christian Webb, Harvard Medical School, US

Emotional disorder symptoms and emotion regulation by cognitive reappraisal in individuals with a history of psychopathology: A multi-method approach. Lorenzo Lorenzo-Luaces, Indiana University Bloomington; Lauren Rutter, Indiana University-Bloomington; Jacqueline Howard, Indiana University-Bloomington; Meghana Boinpally, Indiana University-Bloomington; Danny Valdez, Indiana University-Bloomington; and Johan Bollen, Indiana University-Bloomington
Discussant: Simon Goldberg, University of Wisconsin, Madison, USA
Panelists: Katie Aafjes-van Doorn, Yeshiva University, New York, USA; Dana Atzil-Slonim, Bar-Ilan University; Hadar Fisher, Harvard Medical School; Lorenzo Lorenzo-Luaces, Indiana University Bloomington

Thursday | 17:10-18:40 | CRX 030 (72)

67. BRIEF PAPER SESSION Brief paper session: Evidence Based 1

Moderator: Julian Abel Gojer, Royal Ottawa Hospital, Ottawa, ON, Canada

Forensic Psychotherapy: Conflicts and Limitations when Legal Matters Impact on the Delivery of Psychotherapy. Julian Abel Gojer, Royal Ottawa Hospital, Ottawa, ON, Canada; and Caitlin Sigg, Saint Paul University, Ottawa, Canada

Society for Psychotherapy Research Annual Meeting – June 2024

The Imperative Incorporation of SPR International Strategic Plan for the greater African Continent: Bridging the Gap through Psychotherapy Research. Grace Mbabazi, Metanoia Institute

Psychotherapy research funding from the NIMH: 2014-2019. Javier Rizo, University of Massachusetts, Boston; Nicholas Pierorazio, University of Massachusetts Boston; Allison Hand, University of Massachusetts Boston; Kathleen Collins, University of Massachusetts Boston; and Heidi Levitt, University of Massachusetts Boston, USA

Designing an Assessment Device for Remote Short-Term Psychotherapy in Latin American workplace settings. Juan Cruz Curatti, eap Latina; Pedro Roberto Iglesias, eap Latina; Andrés Roussos, Consejo Nacional de Investigaciones Científicas y Técnicas (CONICET); and Pablo Hirsch, eap Latina

Using Machine Learning to Explore Ugandan Children's School Readiness. Valeda Dent, Emory University; Geoff Goodman, Emory University; Kiran Nimmakayala, ; Alisha Morejon, Emory University; Tuan Vinh, Emory University; Tommy Ottolin, Emory University; and Joe Sutherland, Emory University

Thursday | 17:10-18:40 | CRX 407 (54)

72. BRIEF PAPER SESSION Brief paper session: Assessment and Others 1

Moderator: Angela Bradford, Brigham Young University, Provo, USA

Can change in couple therapy be predicted by neurological processes? An fMRI study. Angela Bradford, Brigham Young University, Provo, USA; Lee Johnson, Brigham Young University, Provo, USA; Christopher Neu, Brigham Young University, Provo, USA; and Brock Kirwan, Brigham Young University, Provo, USA

Ecological Momentary Assessment: a case study. Rocio Manubens, Universidad de Buenos Aires, Argentina; Candela Aprigliano, Fundación Aiglé; Beatriz Gómez, Aigle Foundation; Javier Fernández-Álvarez, Aiglé Buenos Aires; and Juan Martin Gomez Penedo, University of Kassel, Germany

The Dance of Change: Navigating Ambivalence and Overcoming Resistance. João Tiago Oliveira, Universidade do Minho, Braga, Portugal; and Miguel M. Gonçalves, Universidade do Minho, Braga, Portugal

Miscarriage, loss of pregnancy and abortion as a traumatic event and the associated psychological impact on mothers, their partnership and their parenting behavior – A systematic review. Anamaria Semm, Ludwig-Maximilians-Universität, Munich, Germany; Antonia Nauerz, Ludwig-Maximilians-Universität, Munich, Germany; Wilhelmine Wunderlich, Ludwig-Maximilians-Universität, Munich, Germany; and Larissa Wolkenstein, Ludwig-Maximilians-Universität, Munich, Germany

After the February 6th Earthquake in Türkiye: What Mental Health Workers Experience and How They Cope? Burak Tuna, Kadir Has University; and Ozlem Haskan Avci, Hacettepe University

Society for Psychotherapy Research Annual Meeting – June 2024

Differential Indication in Psychodynamic Therapy: Exploring Therapeutic Decision-Making in Clinical Practice. Sophia Cholibois, Universität Kassel, Germany; Cord Benecke, Universität Kassel, Germany; and Miriam Henkel, Universität Kassel, Germany

Friday | 8:30-10:00 | CRX 408 (56)

85. PANEL [IN PERSON] Interpersonal Synchrony: Recent developments and insights

Organizer: Johannes Kopf-Beck, Ludwig-Maximilians-Universität, Munich, Germany

Moderator: Johannes Kopf-Beck, Ludwig-Maximilians-Universität, Munich, Germany

Non-verbal Synchrony in Psychotherapy Settings: A Manual Behavioral Coding and Cross-Recurrence Quantification Approach. Johannes Kopf-Beck, Ludwig-Maximilians-Universität, Munich, Germany; Daya Raddatz, Ludwig-Maximilians-Universität, Munich, Germany; Anamaria Semm, Ludwig-Maximilians-Universität, Munich, Germany; Gökce Ergün, Max Planck Institute for Intelligent Systems, Tübingen; Carolin Schmitt, Max Planck Institute for Intelligent Systems, Tübingen; Senya Polikovsky, Max Planck Institute of Psychiatry; and Anton Marx, Ludwig-Maximilians-Universität, Munich, Germany

Language style matching in psychotherapy of social anxiety disorder. Uwe Altmann, Medical School Berlin; Franziska Roller, Institute of Psychosocial Medicine, Psychotherapy and Psycho-oncology, Universitätsklinikum Jena, Jena, Germany; Bernhard Strauss, Jena University Hospital; Ulrich Stangier, Clinical Psychology and Psychotherapy, Goethe Universität, Frankfurt am Main, Germany; and Desiree Schoenherr, Institute of Psychosocial Medicine and Psychotherapy, Jena, Germany ●
Measuring Nonverbal Synchrony in Parent-Child Interaction using Motion-Energy-Analysis and Standardized Play Situations. Anton Marx, Ludwig-Maximilians-Universität, Munich, Germany; Maike Eisen, Ludwig-Maximilians-Universität, Munich, Germany; Tanja Kretz-Bünese, Ludwig-Maximilians-Universität, Munich, Germany; and Corinna Reck, Ludwig-Maximilians-Universität, Munich, Germany

Friday | 10:30-12:00 | CRX C240 (350)

99. PANEL [IN PERSON] Measuring what matters to youth and their caretakers: Evaluating and innovating idiographic youth assessment for research and clinical care.

Organizer: Melissa De Smet, Ghent University, Belgium Moderator: Melissa De Smet, Ghent University, Belgium

My life, your life: To what extent do self-report measures of “life impact” capture how mental health symptoms affect youths’ lives? Karolin Krause, Université Paris Cité

“My kid’s main problem is this”: Parents’ view on Youth Top Problems and the value of caregiver perspectives in youth assessment. Melody Kim, University of Auckland, New Zealand

To assess youth problems, we must understand their context: Recommendations for Youth Top Problem assessment from an inductive idiographic approach. Melissa De Smet, Ghent University,

Society for Psychotherapy Research Annual Meeting – June 2024

Belgium Panelists: Melissa De Smet, Ghent University, Belgium; Melody Kim, University of Auckland, New Zealand; Karolin Krause, Universite Paris Cite

Saturday | 10:30-12:00 | CRX 030 (72)

133. BRIEF PAPER SESSION Brief paper session: Attachment 1

Moderator: Davis Fleming, University of Louisville, USA

Relationship Among Caregivers' Storytelling Content Relevance and Attachment in Rural Ugandan Preschoolers. Davis Fleming, University of Louisville, USA; Geoff Goodman, Emory University; and Valeda Dent, Emory University

Exploring Emotional Needs and Changes in Parent-Child Bonds within Adoptive Families: Insights from the Taiwanese Adoption Experience. Hungwen Lu, National Chiayi university, Taiwan

The association between childhood adversity and mental health in psychiatric patients: The mediating and moderating roles of attachment style and resilience. Mark Lukowitsky, Albany Medical Center; and Jeffrey Winseman, Albany Medical Center

Saturday | 10:30-12:00 | CRX 040 (50)

134. PANEL [IN PERSON]

Organizer: Miriam Hehlmann, University of Osnabrück

Moderator: Miriam Hehlmann, University of Osnabrück

The Potential of Ecological Momentary Assessment for data-informed clinical practice

Ecological Momentary Assessment in clinical research and practice – current state of research and future directions. Fabienne Mink, Trier University, Germany; Juan Martin Gomez Penedo, University of Kassel, Germany; Andrés Roussos, Consejo Nacional de Investigaciones Científicas y Técnicas (CONICET); Julian Rubel, Osnabrueck University; and Wolfgang Lutz, University of Trier, Germany

Personal Networks and Daily Social Interactions - Feedback About Patients' Social Context. Marie Stadel, University of Groningen, Netherlands; Anna Langener, University of Groningen, Netherlands; Laura Bringmann, University of Groningen, Netherlands; Gert Stulp, University of Groningen, Netherlands; Timon Elmer, University of Zurich, Switzerland; and Marijtje van Duijn, University of Groningen, Netherlands

Exploring EMA dynamics: Diverse methods and their predictive value in psychological treatment outcomes. Miriam Hehlmann, University of Trier; Björn Siepe, University of Marburg; Fabienne Mink, Trier University, Germany; Wolfgang Lutz, University of Trier, Germany; and Juan Martin Gomez Penedo, University of Kassel, Germany

Harnessing smartphone sensors to predict states of elevated negative affect in adolescents. Christian Webb, Harvard Medical School, US; Boyu Ren, Harvard Medical School; Yoonho Chung,

Society for Psychotherapy Research Annual Meeting – June 2024

Harvard Medical School, US; Habiballah Rahimi-Eichi, Harvard Medical School, US; and Justin Baker, Harvard Medical School, US
Discussant: Marilyn Piccirillo, University of Washington
Panelists: Fabienne Mink, Trier University, Germany; Marie Stadel, University of Groningen, Netherlands; Miriam Hehlmann, University of Osnabrück; Christian Webb, Harvard Medical School, US

Saturday | 10:30-12:00 | CRX 408 (56)

139. BRIEF PAPER SESSION Brief paper session: Child Family 1

Moderator: Anna Kennedy, British Association for Counselling and Psychotherapy

“I’d panic if I wasn’t in control”: Control as meaning within the mother identity. Anna Kennedy, British Association for Counselling and Psychotherapy

Recruitment difficulties in a trial of mentalization based therapy for foster families. Maiken Pontoppidan, VIVE - the Danish center for social science research; and Nina Thorup Dalgaard, VIVE The Danish Center for Social Science Research

“It’s got highs and it’s got lows, and it’s got twists and it’s got turns”: Women’s Experiences of Being Partners of Elite Male Footballers in England. Phoebe Welcome, University of Manchester, UK

A Qualitative Analysis of Goals Set by Parents Participating in a Reflective Parenting Programme in Bulgaria. Vessela Aravena, Sofia University “St. Kliment Ohridski”; Camellia Hancheva, Sofia University “St. Kliment Ohridski”; and Antonella Cirasola, Anna Freud Center, London, UK

Saturday | 12:00-13:00 | CRX C240 (350)

150. INTEREST SECTION MEETING Interest Group Meeting: Child, adolescent, and family therapy

Saturday | 15:00-16:30 | CRX 030 (72)

153. PANEL [IN PERSON] The Importance of Conducting Practice-oriented Research with Underserved Populations

Organizers: Javier Fernández-Álvarez, Aiglé Buenos Aires; Louis Castonguay, Penn State University, University Park, USA

Moderators: Javier Fernández-Álvarez, Aiglé Buenos Aires; Louis Castonguay, Penn State University, University Park, USA

Developing a Practice Research Network in Argentina: A tale of challenges, benefits and future plans. Javier Fernández-Álvarez, Aiglé Buenos Aires; Manuel Meglio, Universidad de Buenos Aires, Argentina; Juan Martin Gomez Penedo, University of Kassel, Germany; and Beatriz Gómez, Aigle Foundation

Society for Psychotherapy Research Annual Meeting – June 2024

Routine Outcome Monitoring in Mental Health Services for Underserved Populations in Ecuador: Challenges and Future Directions. Clara Paz, Universidad de las Americas, Ecuador; and Jorge Valdiviezo-Oña, Universidad de las Americas

Capacity building and regional cooperation to strengthen practice based research in Africa. Manasi Kumar, University of Nairobi

Parents mediated interventions for children with autism: skills or identification? Naoufel Gaddour, University of Monastir Discussant: Louis Castonguay, Penn State University, University Park, USA
Panelists: Javier Fernández-Álvarez, Aiglé Buenos Aires; Clara Paz, Universidad de las Americas, Ecuador; Manasi Kumar, University of Nairobi; Naoufel Gaddour, University of Monastir

Saturday | 15:00-16:30 | CRX 309 (65)

156. PANEL [IN PERSON]

Organizer: Jordan Bate, Yeshiva University, New York, USA

Moderator: Jordan Bate, Yeshiva University, New York, USA

CE

Understanding the Roles of Reflective Functioning, Trauma and Personality Functioning at the Start of Treatment

Inside the Adolescent Mind: Examining the Association Between Reflective Functioning and Personality Organization in Adolescents on the STIPO-A. Danielle Lefkowitz, Yeshiva University, New York, USA

The Relationship Between Parental ACEs and Aspects of the Current Parent-Child Relationship in Parent-Child Dyads Within the Child Welfare System. Celeste Piazza, Yeshiva University, New York, USA

Dimensional model of adolescent personality pathology, reflective functioning, and emotional maltreatment. Karin Ensink, Université Laval Discussant: Lina Normandin, Université Laval
Panelists: Danielle Lefkowitz, Yeshiva University, New York, USA; Celeste Piazza, Yeshiva University, New York, USA; Karin Ensink, Université Laval

Saturday | 15:00-16:30 | Virtual Room 2

163. BRIEF PAPER SESSION Brief paper session 3: Change Process

Moderator: Victoria-Jane Welk, University of North Dakota

The provider fidelity of a one-time peer-led intervention for childhood sexual abuse survivors. Victoria-Jane Welk, University of North Dakota; and RaeAnn Anderson, University of North Dakota

Society for Psychotherapy Research Annual Meeting – June 2024

Exploring the interplay between body experience, eating psychopathology, and personality functioning: Unravelling patterns in a representative population sample. Eva M Klein, Medical Center of the Albert-Ludwigs-University Freiburg; Elmar Brähler, University Medical Center of the Johannes Gutenberg University; Anja Hilbert, University of Leipzig Medical Center; Bernhard Strauss, Jena University Hospital; and Krakau Lina, University Medical Center of the Johannes Gutenberg-University, Mainz, Germany

ChatGPT for case formulation training. Felipe Concha, Universidad Diego Portales, Santiago, Chile

VR-Based Psychotherapy Intervention on Alleviating Depression, Anxiety, and Cultivating Prosocial Behavior for Hong Kong Populations: A Mixed Method Pilot Implementation Study. Yim Cheung, Hong Kong Shue Yan University; Tsz Kin Ngai, Hong Kong Shue Yan University; and Kevin Yeung, Radiance Tech International Ltd.

Psychotherapy through Arts for school-aged children and its effect on anxiety's amelioration: results of a Pragmatic Nonrandomized Concurrent study. . Tamar Axelrad Levy, David Yellin college; Adar Anisman, Szold institute; and Tal Furstenberg, Szold institute

Potentials of guided affective imagery in short-term inpatient psychotherapy. Andrea Jesser, Sigmund Freud University, Vienna, Austria Panelists: Victoria-Jane Welk, University of North Dakota; Eva M Klein, Medical Center of the Albert-Ludwigs-University Freiburg; Felipe Concha, Universidad Diego Portales, Santiago, Chile; Yim Cheung, Hong Kong Shue Yan University; Tamar Axelrad Levy, David Yellin College; Andrea Jesser, Sigmund Freud University, Vienna, Austria
