

**Special Interest Group: Child, Adolescent & Family Therapy [Section Meeting]
Saturday | 1:00 pm-1:50 pm | LB Niebieska Blue (140)**

Plenary

Friday | 8:30 am-9:45 am | LB Aula A (260)

120. Therapeutic Relationships, Attachment and Mentalization: A Dialogue Between Child and Adult Psychotherapy Researchers [Plenary]

Organizer: Jordan Bate, Yeshiva University, New York, USA

Moderator: Jordan Bate, Yeshiva University, New York, USA

Panelists:

- Sibel Halfon, Istanbul Bilgi University;
- Claudia Capella Sepúlveda, Universidad de Chile, Santiago;
- Catherine Eubanks, Adelphi University, New York, USA;
- Svenja Taubner, University of Heidelberg, Germany;

Panels including Child, Adolescent or Family research

THURSDAY

Thursday | 8:30 am-9:30 am | Aula Duza A (600) Live-streamed

28. Innovative approaches to studying alliance ruptures and relational conflicts in family therapy for adolescents [Panel [In Person]]

Organizer: Catherine Eubanks, Adelphi University, New York, USA

Moderator: Phillippe Cunningham, Medical University of South Carolina

- *Capturing Alliance Rupture-Repair Sequences in Family Therapy: Adapting the 3RS Coding System* Stacy Ryan-Pettes, Baylor University; Catherine Eubanks, Adelphi University, New York, USA; Fodie Koita, Baylor University; Anna Milliken, Baylor University; Shawn Latendresse, Baylor University; Mary Lauren Benton, Baylor University; and Phillippe Cunningham, Medical University of South Carolina
- *Case Study on the Physiological Indices of Rupture and Repair in a Family Therapy Context* Jordon Gilmore, Clemson University; Catherine Eubanks, Adelphi University, New York, USA; Luyi Li, Clemson University; Jessica Afangnibo, Clemson University; Jennifer Powell, Medical University of South Carolina; Mohan Madisetti, Medical University of South Carolina; and Phillippe Cunningham, Medical University of South Carolina
- *Exploring the Association Between Reflective Functioning, Emotional Arousal, and Information Gathering in the Context of Relational Conflict* Yotam Strifler, Ben Gurion University, Beer Sheva, Israel; and Gary Diamond, Ben Gurion University, Beer Sheva, Israel

Discussant:

- Lee Johnson, Brigham Young University, Provo, USA;

Thursday | 8:30 am-9:30 am | Virtual Room 2

31. LGBTQ Parenting Across the Life Course [Panel [online]]

Organizer: Geva Shenkman, Reichman University

Moderator: Geva Shenkman, Reichman University

- *The Role of Openness to Experience and Anticipation of Stigma upon Parenthood in Parenthood Aspirations of Lesbian, Gay, and Bisexual Individuals* Yuval Shaia, Reichman University; Kfir Ifrah, Ruppin Academic Center; and Geva Shenkman, Reichman University
- *Transitional Identities: Challenges and Coping mechanisms of Israeli Gay Fathers during Assisted Reproductive Technologies* Shulamit Geller, The academic college of Tel- Aviv Yaffo; and Yehoshua Akerman, The academic college of Tel- Aviv Yaffo [show abstract](#)
- *Retrospective Exploration of Parenthood Aspirations among Older Lesbian, Bisexual, and Gay Individuals* Kfir Ifrah, Ruppin Academic Center; Yuval Shaia, Reichman University; and Geva Shenkman, Reichman University [show abstract](#)

Discussant:

- Geva Shenkman, Reichman University;

Thursday | 3:30 pm-4:45 pm | LB Aula B (260)

78. Lighthouse Mentalization-Based Parenting Program: Advancing Research, Adaptations, and Impact Across Diverse Contexts [Panel [In Person]]

Organizer: Stefanella Costa Cordella, Universidad Diego Portales, Santiago, Chile

Moderator: Stefanella Costa Cordella, Universidad Diego Portales, Santiago, Chile

- *Lighthouse Parenting Program: Adaptation and feasibility trial of the mentalization-based parenting intervention in a day- and inpatient psychosomatic setting.* Jana Volkert, Ulm University, Germany; and Elisa Merckenschlager, Ulm University, Germany
- *Parents' perceived changes in oneself, in the view of the child and in parent-child relationships after mentalization based parenting program "Lighthouse"* Lina Gervinskaite-Paulaitiene, Vilnius University, Lithuania; Asta Adler, Vilnius University; Greta Kaluževičiūtė-Moreton, Institute of Psychology, Vilnius University, Vilnius, Lithuania; Matthew Ruggiero, Lifespan Psychology Centre, Western Australia; Gerry Byrne, University of Oxford; and Rasa Barkauskiene, Vilnius University
- *Lighthouse Spain: Ongoing Study Design* Ariadna Perez-Domingo, Pere Claver Group and Universitat Autònoma de Barcelona; Ane Eguren ikazuriaga, Universidad del País Vasco; Luis Perez, Hirube Cooperative Society of Social Initiative; and Delia Escarmis, pere claver group
- *Exploring the Impact of the Lighthouse MBT Program on Burnout and Resilience Among Social Care Workers* Francisco Harfouche, university of porto; Ângela Fragoeiro, ; Cristiana Calheiros, ; Gerry Byrne, University of Oxford; and Stefanella Costa Cordella, Universidad Diego Portales, Santiago, Chile

Thursday | 11:00 am-12:00 pm | Aula Duža A (600) Live-streamed

54. Exploring innovation and evidence in Systemic Therapy: Insights from research and practice [Panel [In Person]]

Organizer: Christina Hunger-Schoppe, Witten/Herdecke University

Moderator: Christina Hunger-Schoppe, Witten/Herdecke University

Society for Psychotherapy Research Annual Meeting – June 2025

- *Is Symptom Outcome the Whole Story?-A Multilevel Meta-analysis of Systemic Therapy for Adults Including Family System Functioning* Niels Braus, Witten/Herdecke University; Christoph Flückiger, Universität Kassel, Germany; Johanna Wichmann, University Witten/Herdecke; Christian Frankmann, University Witten/Herdecke; Robin Gräfenkämper, University Witten/Herdecke; Antonia Lang, University Witten/Herdecke; Martina Zemp, Vienna University,; and Christina Hunger-Schoppe, Witten/Herdecke University
- *Generic and system-relevant change mechanisms in systemic therapy with people with social anxiety disorder and their significant others* Christina Hunger-Schoppe, Witten/Herdecke University; Nina Immel, University Witten/Herdecke; Chawwah Yael Grünberg, University of Witten/Herdecke; Agnieszka Prystupa, University Witten/Herdecke; Aslisan Yavuz, University Witten/Herdecke; Aljosha Graham, University Witten/Herdecke; and Mariane Krause, Pontificia Universidad Católica de Chile, Santiago
- *Implementing Routine Outcome Monitoring at the Family Counseling Office in Norway Project group* Kristoffer Whittaker, Modum Bad Research Institute, Vikersund, Norway; Jan Stokkebekk, National Resource and Development Team on Family Violence and High Conflict Divorce Bufetat; Gøril Westborg Smiseth, omansbyen Family Counseling Office Bufetat; Line Lise Helledal, Nedre Romerike Family Counseling Office Bufetat; and Martin Dam, Homansbyen Family Counseling Office Bufetat
- *Developing Facilitative Systemic Intervention Skills: Preliminary Findings from a Longitudinal Study of Graduate Therapists* Adam Jones, Texas Woman's University; and Myrna L. Friedlander, University of Albany

Thursday | 3:30 pm-4:45 pm | LB Niebieska Blue (140)

79. Hearing children and young people's voices in psychotherapy research. [Panel [In Person]]

Organizer: Kerry Gibson, University of Auckland, New Zealand

- *Evolution of the therapeutic relationship in child psychotherapy following sexual abuse: a longitudinal qualitative study of children's visual and verbal narratives* Lucía Lucía Nuñez, Pontificia Universidad Católica de Chile, Santiago; Camila Muñoz, Universidad de Chile, Chile; Claudia Capella Sepúlveda, Universidad de Chile, Santiago; Nicolle Alamo, Pontificia Universidad Católica de Chile, Chile; and Marcia Olhaberry Huber, Pontificia Universidad Católica de Chile, Santiago
- *Change process in child psychotherapy for sexual abuse: the perspective of children* Claudia Capella Sepúlveda, Universidad de Chile, Santiago; Camila Muñoz, Universidad de Chile, Chile; Loreto Rodriguez, University of Sussex; Lucía Lucía Nuñez, Pontificia Universidad Católica de Chile, Santiago; Nicolle Alamo, Pontificia Universidad Católica de Chile, Chile; and Marcia Olhaberry Huber, Pontificia Universidad Católica de Chile, Santiago
- *Qualitative meta analysis of young people's experiences of psychotherapy following sexual abuse* Rosaleen McElvaney, Dublin City University, Ireland

Discussant: Daragh Keogh, Trinity College, Dublin, Ireland;

Thursday | 5:00 pm-6:00 pm | Aula Średnia A (130) Live-streamed

89. Adolescents and Youth: Alliance & Therapeutic Relationship [Brief Paper Session [in-person]]

Moderator: Marta Escobar Venegas, Anna Freud Center, London, UK

- *Conversation analysis, psychoanalysis and research: Developing a shared language to navigate the intersubjective dimension in psychotherapy with adolescents* Marta Escobar Venegas, Anna Freud Center, London, UK
- *The therapeutic alliance in child therapy: A scoping review* Cindy Côté, Université du Québec à Montréal, Canada; J. Éric Dubé, Université du Québec à Montréal; and Camille Nadeau, Université du Québec à Montréal
- *Using equity-centered methods to refine a culturally-tailored measurement-based care intervention to promote treatment engagement among youth of color* Prerna Arora, Columbia University, New York, USA; Rachel Ouellette, Yale University; Juandiego Carmona, Columbia University, New York, USA; Julie Gupta, Columbia University, New York, USA; and Elizabeth Connors, Yale University
- *Adolescents' and Adults' Preferences and Reasons for Counselor Self-disclosure in Psychotherapy* Yu Tian, The Chinese University of Hong Kong, China; and Harold Chui, The Chinese University of Hong Kong, China
- *Therapist's Personal Style, Personality Traits and Children Therapeutic Alliance* Leandro Casari, Consejo Nacional de Investigaciones Científicas y Técnicas (CONICET); Malenka Areas, Universidad de Buenos Aires, Argentina; Mirta Ison, Consejo Nacional de Investigaciones Científicas y Técnicas (CONICET); Beatriz Gómez, Aigle Foundation; Andrés Roussos, Consejo Nacional de Investigaciones Científicas y Técnicas (CONICET); and Juan Martin Gomez Penedo, University of Kassel, Germany

Thursday | 5:00 pm-6:00 pm | Sala Seminaryjna (80) Live-stream

93. Voices We Need to Hear: Womens and Perinatal Health [Brief Paper Session [in-person]]

Moderator: Kathrin Brunhuber, Sigmund Freud University, Vienna, Austria

- *Aspects of female identity PMS and menopause as inner voices of females* Kathrin Brunhuber, Sigmund Freud University, Vienna, Austria
- *Exploring Attachment Styles and Stress Coping among Women with Different PCOS Phenotypes: Possible Implications for an Attachment-Based Holistic Healthcare* Witold Urban, Department of Psychotherapy, Jagiellonian University Medical College; Krzysztof Rutkowski, Jagiellonian University Medical College; Michał Mielimąka, Jagiellonian University, Kraków, Poland; Katarzyna Klasa, Jagiellonian University Medical College; Olga Kacalska-Janssen, Jagiellonian University, Kraków, Poland; and Robert Jach, Jagiellonian University, Kraków, Poland
- *Effects of pregnancy loss and abortion on partnership, family system and parent-child relationship – A systematic review* Anamaria Semm, Ludwig-Maximilians-Universität, Munich, Germany; Antonia Nauerz, Ludwig-Maximilians-Universität, Munich, Germany; and Larissa Wolkenstein, Ludwig-Maximilians-Universität, Munich, Germany
- *Using speech to screen for generalized anxiety disorder during pregnancy* Hamideh Bayrampour, University of British Columbia, Vancouver, Canada; Joana Amorim, Dalhousie University; João Pimentel, ; Sukhpreet Tamana, University of British Columbia,

Vancouver, Canada; Cristina Conati, University of British Columbia, Vancouver, Canada; and Frank Rudzicz, Dalhousie University

- *Examining Longitudinal Relationships Between Maternal Depressiveness, Perceived Stress, Mother-Child Bonding, and Reflective Functioning; a Cross-Lagged Panel Analysis with Random Intercepts* Mevsim Küçükakyüz, Ludwig-Maximilians-Universität, Munich, Germany; Lea Kaubisch, Ludwig-Maximilians-Universität, Munich, Germany; Christian Woll-Weber, Freie Universität, Berlin, Germany; Anton Marx, Ludwig-Maximilians-Universität, Munich, Germany; Andreas Wildner, Ludwig-Maximilians-Universität, Munich, Germany; Alexandra von Tettenborn, Ludwig-Maximilians-Universität, Munich, Germany; Anna-Lena Zietlow, Technische Universität Dresden; Tobias Nolte, University College, London, UK; Peter Fonagy, University College, London, UK; and Corinna Reck, Ludwig-Maximilians-Universität, Munich, Germany

112. Advancing Internet-Based Psychological Interventions: Efficacy, Mechanisms, and Engagement Strategies [Panel [In Person]]

Thursday | 6:10 pm-7:10 pm | Aula Duża A (600) Live-streamed

Organizer: Pawel Holas, University of Warsaw

Moderator: Pawel Holas, University of Warsaw

- *Effectiveness of Guided and Unguided Online Mindfulness-Based Cognitive Therapy (iMBCT) for Mild to Moderate Depression: A Randomized Clinical Study* Jan Wardeszkiewicz, University of Warsaw; and Pawel Holas, University of Warsaw
- *Effectiveness and mediators of change of an online transdiagnostic CBT intervention (iUP) for students with adjustment disorder: A Randomized Controlled Trial* Aleksandra Juszczuk, University of Warsaw; and Pawel Holas, University of Warsaw
- *Increasing Engagement through Co-Creation: A Case Study of an Online Gamified Intervention for Adolescents and Young Adults* Ewelina Smoktunowicz, SWPS University; Jan Maciejewski, SWPS University; Magdalena Pietrzak, SWPS University; and Magdalena Leśniewska, SWPS University

Panelists:

- Jan Wardeszkiewicz, University of Warsaw;
- Aleksandra Juszczuk, University of Warsaw;
- Ewelina Smoktunowicz, SWPS University;

Discussant:

- Danilo Moggia, University of Trier;

Thursday | 6:10 pm-7:10 pm | Aula Średnia A (130) Live-streamed

104. Borderline Realities: Therapeutic Frontiers, Parental Minds, and the Shadows Within [Brief Paper Session [in-person]]

Moderator: Philipp Herzog, RPTU Kaiserslautern-Landau

- *Parental mentalization and parenting experiences in mothers with borderline personality features* Kanika Mehrotra, private practitioner; and Poornima Bhola, National Institute of Mental Health and Neuro Sciences, Deemed University, Bangalore, India
- *Cost-effectiveness of dialectical behavioral therapy and schema therapy in patients with borderline personality disorder: a secondary analysis of a randomized clinical trial* Philipp

Society for Psychotherapy Research Annual Meeting – June 2025

Herzog, RPTU Kaiserslautern-Landau; Till Wagner, University of Lübeck; Nele Assmann, University of Lübeck, Germany; Anja Schaich, University of Lübeck, Germany; Arnoud Arntz, University of Amsterdam; Kamila Jauch-Chara, Christian-Albrechts-Universität zu Kiel; Jan Philipp Klein, University of Lübeck; and Eva Fassbinder, University of Kiel, Germany

- *The Shadow of Violence: Exploring the anatomy of Sadism as a defense in the Psychotherapeutic Dyad* Pankaj Suneja, BML Munjal University, India

FRIDAY

Friday | 8:30 am-9:45 am | LB Aula A (260)

120. Therapeutic Relationships, Attachment and Mentalization: A Dialogue Between Child and Adult Psychotherapy Researchers [Plenary]

Organizer: Jordan Bate, Yeshiva University, New York, USA

Moderator: Jordan Bate, Yeshiva University, New York, USA

Panelists:

- Sibel Halfon, Istanbul Bilgi University;
- Claudia Capella Sepúlveda, Universidad de Chile, Santiago;
- Catherine Eubanks, Adelphi University, New York, USA;
- Svenja Taubner, University of Heidelberg, Germany;

Friday | 10:00 am-11:15 am | Aula Mała (100) Live-streamed

124. Couples coping with conflict: Understanding and working with highly distressed couples [Panel [In Person]]

Organizer: Helene Nissen-Lie, University of Oslo, Norway

Moderator: Helene Nissen-Lie, University of Oslo, Norway

- *Shame, threat and dyadic coping: An interpretative phenomenological analysis of highly distressed couples facing financial stress while in therapy* Joanna Rzadkowska, University of Oslo, Norway; Tilden Terje, Modum Bad Research Institute, Vikersund, Norway; Helene Nissen-Lie, University of Oslo, Norway; Kristoffer Whittaker, Modum Bad Research Institute, Vikersund, Norway; and Kari Anne Vrabel, Modum Bad Research Institute, Vikersund, Norway
- *Healing the pain of the past in front of a partner: Exploring the role of emotional processes in Emotion-focused Therapy for couples (EFT-C) with highly distressed couples* Catrin Sagen, University of Oslo, Norway; Helene Nissen-Lie, University of Oslo, Norway; Kari Anne Vrabel, Modum Bad Research Institute, Vikersund, Norway; Rhonda Goldman, Chicago School of Professional Psychology; and Nadia Ansar, Institutt for Psykologisk Rådgivning -IPRO
- *Two decades of research in mechanisms of change on Couple Therapy: A Systematic Review* Diana Rivera, Pontificia Universidad Católica de Chile, Santiago; Nicolás García-Matte, Pontificia Universidad Católica de Chile, Santiago; Isabela Aquino, Pontificia Universidad Católica de Chile, Santiago; and Marcia Salinas, Universidad de Chile, Santiago

Society for Psychotherapy Research Annual Meeting – June 2025

- *Are two questions enough? An exploratory study of mediator-administered screening of co-parental safety and distress in compulsory divorce mediation in Norway* Jan Stokkebekk, National Resource and Development Team on Family Violence and High Conflict Divorce Bufetat; Trine Eikrem, National Resource and Development Team on Family Violence and High Conflict Divorce; and Kristoffer Whittaker, Modum Bad Research Institute, Vikersund, Norway

Discussant:

- Heidi Levitt, University of Massachusetts Boston, USA;

Friday | 10:00 am-11:15 am | LB Niebieska Blue (140)

129. Psychological and social well-being of women and children due to traumatic and early adverse situations. [Panel [In Person]]

Organizer: Nicolle Alamo, Pontificia Universidad Católica de Chile, Chile

Moderator: Nelson Valdés-Sánchez, Universidad Santo Tomás, Santiago, Chile

- *Working with Muslim Women experiencing trauma* Nada Eltaiba, German Jordanian University
- *Mental health and resilience in mothers and children Palestinian refugee: a scoping review* Karina Manriquez, Pontificia Universidad Católica de Chile, Santiago; Martina Fischersworing, Millenium Institute for Depression and Personality Research MIDAP, Chile; Nicolle Alamo, Pontificia Universidad Católica de Chile, Chile; Nadia Garib Musa, Hospital Roberto del Río-Universidad de Santiago de Chile; María Carolina Velasco, Pontificia Universidad Católica de Chile, Santiago; María de los Ángeles Aliste, Pontificia Universidad Católica de Chile, Santiago; and Angélica Canales, Pontificia Universidad Católica de Chile, Santiago
- *Palestinian women and their children in Chile: effects of diaspora and forced displacement on psychosocial well-being in contexts of armed conflict* Nicolle Alamo, Pontificia Universidad Católica de Chile, Chile; Nadia Garib Musa, Hospital Roberto del Río-Universidad de Santiago de Chile; María Carolina Velasco, Pontificia Universidad Católica de Chile, Santiago; María de los Ángeles Aliste, Pontificia Universidad Católica de Chile, Santiago; Martina Fischersworing, Millenium Institute for Depression and Personality Research MIDAP, Chile; Karina Manriquez, Pontificia Universidad Católica de Chile, Santiago; Angélica Canales, Pontificia Universidad Católica de Chile, Santiago; and Romina Mera, Pontificia Universidad Católica de Chile, Santiago
- *Social-emotional Health and Well-Being of children in stressful situations: a systematic review* Nelson Valdés-Sánchez, Universidad Santo Tomás, Santiago, Chile; and Marcela García-Huidobro, Universidad Santo Tomás, Santiago, Chile

Friday | 10:00 am-11:15 am | LB109 (50)

131. Scaling Access, Competence, and Sustainability in Cognitive Behavioral treatment: School and Community Innovations [Panel [In Person]]

Organizer: Åshild Tellefsen Håland, Sørlandet Hospital, Norway

Moderator: Åshild Tellefsen Håland, Sørlandet Hospital, Norway

Society for Psychotherapy Research Annual Meeting – June 2025

- *Scaling Up Adolescent Anxiety Treatment: Effectiveness of the RISK Group CBT Program Introduction* Thomas Bjerregaard Bertelsen, Sørlandet hospital; and Åshild Tellefsen Håland, Sørlandet Hospital, Norway
- *Scaling Up School-Based CBT Groups for Anxious Youths: Key Insights from the Mini-RISK Project* / Åshild Tellefsen Håland, Sørlandet Hospital, Norway; Thomas Bjerregaard Bertelsen, Sørlandet hospital; and Lene Holmen-Berg, Kristiansand municipality
- *Anxiety Accommodation in Teachers: Prevalence, Patterns, and Implications Introduction* Åshild Tellefsen Håland, Sørlandet Hospital, Norway; Jorid Tveit, Sørlandet hospital; Lene Holmen-Berg, Kristiansand municipality; and Thomas Bjerregaard Bertelsen, Sørlandet hospital
- *Training Novice Therapists in the Unified Protocol: Preliminary Insights from a Norwegian Pilot* Elisabeth Schanche, University in Bergen

Panelists:

- Thomas Bjerregaard Bertelsen, Sørlandet hospital;
- Åshild Tellefsen Håland, Sørlandet Hospital, Norway;
- Jorid Tveit, Sørlandet hospital;
- Elisabeth Schanche, University in Bergen;

Discussant:

- Kari Anne Vrabel, Modum Bad Research Institute, Vikersund, Norway;

Friday | 11:30 am-12:45 pm | Aula Średnia B (130)

140. Navigating Complexity in Psychotherapy: Skills, Resonance, and Adaptive Interventions [Panel [In Person]]

Organizer: Friederike Winter, Universität Mannheim, Germany

Moderator: Corina Aguilar-Raab, University of Mannheim, Germany

- *How Do Candidates Experience Personal Therapy? An Exploration of Interventions, Context Factors and Therapist Variables* Friederike Winter, Universität Mannheim, Germany; Corina Aguilar-Raab, University of Mannheim, Germany; and Johannes Herzig, University of Mannheim, Germany
- *Flexibly Dealing with Complexity: Interpersonal Skills in Child and Adolescent Psychotherapy* Carola Cropp, Universität Kassel, Germany; Paula Heinz, Universität Kassel, Germany; Sarah Schmiedeknecht, Universität Kassel, Germany; Jonna Willeke, Universität Kassel, Germany; and Christoph Flückiger, Universität Kassel, Germany
- *Struggling for Resonance: Mediopassive Interaction in a Long-Term Treatment of Severe Personality Disorder* Christian Sell, International Psychoanalytic University, Berlin, Germany
- *Competent Use of Psychoanalytic Interpretations: A Comparative Case Study* Jochem Willemsen, Université catholique de Louvain, Belgium

Friday | 11:30 am-12:45 pm | LB Niebieska Blue (140)

143. Trauma and Therapy with Children and Parents: Understanding Pathways and Interventions [Panel [In Person]]

Organizers: Jordan Bate, Yeshiva University, New York, USA; Dana Tzur Bitan, University of Haifa, Israel;

Moderator: Jordan Bate, Yeshiva University, New York, USA

- *War-related Trauma Response: The Moderating Role of Parent's Therapy-Seeking to Themselves and to Their Children* Nili Neuthal, Haifa University, Israel; Amit Kramer, Haifa University, Israel; and Dana Tzur Bitan, University of Haifa, Israel
- *Adverse Childhood Experiences, Personality Functioning and Emotion Regulation in Adolescents* Rebecca Seiple, Yeshiva University, New York, USA; Danielle Lefkowitz, Yeshiva University, New York, USA; Samantha Bryk, Yeshiva University, New York, USA; Hayley Maisel, Yeshiva University, New York, USA; Karin Ensink, Universite Laval; Lina Normandin, Universite Laval; and Jordan Bate, Yeshiva University, New York, USA
- *Evaluating the Effects of a Dyadic Therapy Intervention on School Readiness Among Children in the Child Welfare System* Elisheva Cooper, Yeshiva University, New York, USA; Sarah Silverman, Yeshiva University, New York, USA; Ashley Golub, New Alternatives for Children; and Jordan Bate, Yeshiva University, New York, USA
- *Building a Bridge to an Island: Fostering Relational Trust with a Patient with Avoidant Attachment* Katarzyna Staniaszek, Yeshiva University, New York, USA; and Kelsey Armusewicz, Montefiore Medical Center

Friday | 11:30 am-12:45 pm | Sala Seminaryjna (80) Live-stream

147. Predicting negative outcomes in psychotherapy: Insights from Precision Psychotherapy Approaches [Panel [In Person]]

Organizer: Irene Messina, Mercatorum University

Moderator: Irene Messina, Mercatorum University

- *Predicting Psychotherapy Non-Response and Dropout in Borderline Personality Disorder: A Machine Learning Study of Psychological and Neurobiological Predictors* Irene Messina, Mercatorum University; Alessandro Grecucci, University of Trento, Italy; Mariarita Infurna, University of Palermo, Italy; Giorgio Falgares, University of Palermo, Italy; Osmano Oasi, Catholic University of Sacred Heart, Milan, Italy; and Roberta Rossi, Fatebenefratelli Brescia, Italy
- *Predicting Premature Treatment Termination in Inpatient Psychotherapy: A Machine Learning Approach* Marlene Engstler, University Hospital, Heidelberg, Germany; Wolfgang Lutz, University of Trier, Germany; Brian Schwartz, University of Trier; Simone Jennissen, University Hospital, Heidelberg, Germany; Hans-Christoph Friederich, Heidelberg University, Germany; and Ulrike Dinger, Heinrich Heine University Düsseldorf
- *Utilizing Machine Learning Strategies to identify Children and Adolescents at-risk for Psychotherapy Dropout: A Data-driven Approach* Amit Kramer, Haifa University, Israel; Nili Neuthal, Haifa University, Israel; and Dana Tzur Bitan, University of Haifa, Israel
- *Simulating the mind and applications to understand treatment discontinuation – a theory-based chance for understanding psychic transformations in somatic symptom disorders* Henriette Löffler-Stastka, Medical University of Vienna, Austria; Thilo Sauter,

Technical University Vienna, Austria; and Dietmar Dietrich, Technical University Vienna, Austria

Friday | 3:45 pm-4:45 pm | LB Aula A (260)

152. Adolescent and Youth [Brief Paper Session [in-person]]

Moderator: Vera Gergov, University of Helsinki, Finland

- *Effectiveness of Psychosocial Interventions for Reducing Loneliness in Adolescents and Young Adults: A Systematic Review and Meta-analysis* Vera Gergov, University of Helsinki, Finland; Iiris Mankki, University of Helsinki, Finland; Jouko Miettunen, University of Oulu, Finland; Hanna Kis, University of Helsinki, Finland; and Jari Lahti, University of Helsinki, Finland
- *The developmental roots of internalizing problems and of impairments in personality functioning: Findings from a 17-year longitudinal study* Johanna Behringer, Friedrich-Alexander-Universität Erlangen-Nürnberg; Florian Juen, Practice for Psychotherapy and Supervision, Munich; Johannes C. Ehrental, University of Cologne, Germany; Julia Festini, Friedrich-Alexander-Universität Erlangen-Nürnberg; Fabienne Helder, Catholic University Eichstätt-Ingolstadt; Mona Wagenbrenner, Catholic University of Eichstätt-Ingolstadt; and Gottfried Spangler, Friedrich-Alexander-Universität Erlangen-Nürnberg
- *Climate on Your Mind: Validation of the Hogg Eco-Anxiety Scale in Adolescents and Young Adults in Germany Amid Climate and Environmental Crises* David Phan, Freie Universität, Berlin, Germany; Nora Spirk, Friedrich-Schiller-Universität Jena, Germany; and Julia Asbrand, Friedrich-Schiller-Universität Jena, Germany
- *Exploring Student Perceptions of a High School Wellness Center: An Interpretative Phenomenological Analysis Study* Devan Clayton, Brigham Young University, Provo, USA

Friday | 3:45 pm-4:45 pm | Aula Duza B (600) Live-streamed

162. Advancing Practice-Based Psychotherapy Research in Specialist Psychiatry: Innovations in Matching, Delivery, and Impact [Panel [In Person]]

Organizer: Fredrik Falkenström, Linnéuniversitetet

Moderator: Fredrik Falkenström, Linnéuniversitetet

- *Interpersonal Psychotherapy for Adolescents within Child- and Adolescent Psychiatry: A qualitative study on adolescents' experiences* Liselott Lindegren, Linnaeus University; Sara Lücke Thelin, Linköping University, Stockholm, Sweden; Karin Pernebo, Linnaeus University; Rolf Holmqvist, Linköping University, Stockholm, Sweden; and Fredrik Falkenström, Linnéuniversitetet
 - *Patient characteristics associated with psychodynamic versus cognitive behavioural therapy allocation in routine psychiatric care* Rikard Fjällström, Linnaeus University; Dan Bengtsson, Linnaeus University; and Fredrik Falkenström, Linnéuniversitetet
 - *Internet-Delivered Good Psychiatric Management for Handling Personality Difficulties and Disorders: A Feasibility and Pilot Outcome Study* Dan Bengtsson, Linnaeus University; Rikard Fjällström, Linnaeus University; Hanna Sahlin, Karolinska Institute, Sweden; Viktor Kaldo, Linnaeus University; and Fredrik Falkenström, Linnéuniversitetet
- Panelists:
- Rikard Fjällström, Linnaeus University;

- Liselott Lindegren, Linnaeus University;

Discussant:

- Wolfgang Lutz, University of Trier, Germany;

Friday | 3:45 pm-4:45 pm | Aula Średnia A (130) Live-streamed

163. The Use of Mentalizing-Focused Parenting Interventions with Primary Caregivers of Children Across the Developmental Spectrum [Panel [In Person]]

Organizer: Amanda Zayde, Montefiore Medical Center/Albert Einstein College of Medicine

Moderator: Amanda Zayde, Montefiore Medical Center/Albert Einstein College of Medicine

- *The Role of Mentalization in the treatment of Perinatal Mood and Anxiety Disorders (PMADs)* Inga Blom, The New School for Social Research [show abstract](#)
- *How much should we involve them? Examining collateral work with parents in a pilot study of mentalization-based treatment for children and young people* Jordan Bate, Yeshiva University, New York, USA; Rebecca Frisch, Yeshiva University, New York, USA; Antonia Hope, Yeshiva University, New York, USA; Rebecca Jordan, Yeshiva University, New York, USA; Rachel Simon, Yeshiva University, New York, USA; and Nidhi Parashar, Yeshiva University, New York, USA [show abstract](#)
- *Connecting and Reflecting Experiences of Healthcare Worker Parents: Emerging Themes from Mentalizing-Focused Parenting Groups* Olivia Derella, Montefiore Medical Center; Elisa Cameron-Niang, Montefiore Medical Center; Regina Roberg, Montefiore Medical Center; Shoshana Krohner, Montefiore Medical Center; Maria Pondikos, Albert Einstein College of Medicine; Gustavo Delgado, Albert Einstein College of Medicine; Jonathan Alpert, Montefiore Medical Center/Albert Einstein College of Medicine; Vilma Gabbay, University of Miami, Miller School of Medicine; and Amanda Zayde, Montefiore Medical Center/Albert Einstein College of Medicine [show abstract](#)

Discussant:

- Cheri Marmarosh, The George Washington University;

Friday | 5:00 pm-6:00 pm | Aula Duża A (600) Live-streamed

169. Voices We Need to Hear: Race, Identity & Equity in Psychotherapy [Brief Paper Session [in-person]]

Moderator: Roisin O'Connor, Concordia University

- *Indigenous voices on healing and resilience: A qualitative study in Quebec, Canada* Roisin O'Connor, Concordia University; Ashley Reynolds, Concordia University; Emiliana Bomfim, Health Quality Council, Saskatoon; Julianne Dumont, Concordia University; Hannah Fraser-Purdy, McGill University, Montreal, Canada; Jacob Burack, McGill University, Montreal, Canada; Christopher Mushquash, Lakehead University; and Dennis Wendt, McGill University, Montreal, Canada
- *Racial microaggressions in clinical supervision* Berrin Oezlem Otyakmaz, University of Kassel
- *Racialised minority clients' experiences of racial microaggressions in psychotherapy* Andreas Vossler, The Open University; Biljana van Rijn, Metanoia Institute; Faisal Mahmood, Birmingham Newham University; and Naomi Moller, The Open University, Britain

Society for Psychotherapy Research Annual Meeting – June 2025

- *What can the therapist and parent worker dynamic tell us about therapeutic work with racially marginalised families? Is the patient's experience of trauma significant in this?* Kairo Maynard, Tavistock Clinic, London, UK
- *Parents' perception and self efficacy regarding conversations about ethnic identity with their adolescents* Tali Semani, Ben Gurion University, Beer Sheva, Israel; and Gary Diamond, Ben Gurion University, Beer Sheva, Israel

Friday | 5:00 pm-6:00 pm | Virtual Room 1

172. Brief Paper 1: Child & Family Dynamics [online] [Brief Paper Session [online]]

Moderator: Hana Yoo, Wheaton College, Wheaton, IL, USA

- *The Multilevel Modeling Analysis of the Interaction Between Adverse Childhood Experiences (ACEs) and Time on Relationship Satisfaction During Couple Therapy* Hana Yoo, Wheaton College, Wheaton, IL, USA; and Lee Johnson, Brigham Young University, Provo, USA
- *Parental Interpersonal Emotion Regulation Strategies and their Impact on Emotion Dysregulation in Children with ADHD* Naama Gershky Tsahor, Adelphi University, New York, USA; Neta Krinsky, the Hebrew University of Jerusalem; Hadar Neeman Yishai, the Hebrew University of Jerusalem; and Irit Schorr-Sapir, Tel Aviv University
- *Associations Between Childhood Maltreatment and Dissociative Symptoms in Patients with Functional Neurological Disorder: The Roles of Attachment and Personality Functioning* Eva M Klein, Medical Center of the Albert-Ludwigs-University Freiburg; Armin Hartmann, University of Freiburg, Germany; Claas Lahmann, Medical Center of the Albert-Ludwigs-University Freiburg; Theresa Jansen, Medical Center of the Albert-Ludwigs-University Freiburg; and Andreas Joos, Medical Center of the Albert-Ludwigs-University Freiburg
- *Mother and work identities – independent or interdependent meanings: An interdisciplinary understanding of identity and managing role strain* Anna Kennedy, British Association for Counselling and Psychotherapy
- *Don't pity me! Does sympathy deserve a bad rap?* Juan Pablo Kalawski, Universidad Autónoma de Chile

Friday | 5:00 pm-6:00 pm | LB Aula B (260)

180. Focus on Youth: Mentally Healthy Children and Adolescents – Interactions and Interventions [Panel [In Person]]

Organizer: Christian Woll-Weber, Freie Universität, Berlin, Germany

Moderator: Christian Woll-Weber, Freie Universität, Berlin, Germany

- *Social signalling of communication intent enhances child learning: A series of meta-analytic tests* Christian Woll-Weber, Freie Universität, Berlin, Germany; Max Moser, University College, London, UK; Kate Fillingham, University College, London, UK; Andreas Wildner, Ludwig-Maximilians-Universität, Munich, Germany; Peter Fonagy, University College, London, UK; and Tobias Nolte, University College, London, UK
- *Targeting Parental Accommodation Behavior in the Context of Child Anxiety Effectively Through Online Single-Session-Intervention* Julia O. Linke, Universität Freiburg

Society for Psychotherapy Research Annual Meeting – June 2025

- *Transdiagnostic Group Interventions for Children and Adolescents – What we know and where to go* David Phan, Freie Universität, Berlin, Germany; Celia Bähr, Freie Universität, Berlin, Germany; Natalia Murawska, University College Dublin, Ireland; Julia Gerber, Freie Universität, Berlin, Germany; Annie Jordan, Freie Universität, Berlin, Germany; Kyra Hoffmann, Humboldt-Universität zu Berlin, Germany; and Claudia Calvano, Freie Universität, Berlin, Germany

Discussant:

- Anton Marx, Ludwig-Maximilians-Universität, Munich, Germany;

Friday | 6:15 pm-7:30 pm | Virtual Room 2

185. Brief Paper 2: Cultural and Intersectional approaches [online] [Brief Paper Session [online]]

Moderator: Supriya Supriya, University of Lethbridge

- *Decolonizing Psychotherapy: Exploring Intersectional Barriers and Culturally Responsive Practices for South Asian Immigrants in Canada* Supriya Supriya, University of Lethbridge; and Toupey Luft, University of Lethbridge
- *Using AT.9 in Psychotherapy as a form of Art-Therapy to help Canadian Adults manage Climate Anxiety and Adaptive Responses towards Climate Change* Nathalie Robinson, Saint Paul University, Ottawa, Canada; and Christian R. Bellehumeur, Saint Paul University, Ottawa, Canada
- *Integrating psychotherapy research in approach pluralistic psychotherapology within the field of eco-anxiety* Paolo Raile, Sigmund Freud University, Vienna, Austria
- *Self-Reported Changes in Clinical Psychologists' and Psychotherapists' Work Amid Recent Global Crises* Yvonne Schaffler, University for Continuing Education Krems; and Elke Humer, University for Continuing Education Krems
- *What are trainee Child and Adolescent Psychotherapists' experiences of working with patients they identify as of a different race to themselves?* Joe Horner, Tavistock Clinic, London, UK [show abstract](#)
- *"Interoception and Self-Injury: A Neuroaffective Bridge Toward New Psychotherapeutic Strategies"* Sanny Infante, Universidad del Desarrollo, Santiago, Chile; and Francisco Ceric, Universidad del Desarrollo, Santiago, Chile

Friday | 6:15 pm-7:30 pm | Aula Mañ (100) Live-streamed

188. Listening to the voices of adolescents and not just from the privileged world: the YP-CORE (Young Persons CORE) [Panel [In Person]]

Organizer: Chris Evans, Universidad de Las Américas

Moderator: Chris Evans, Universidad de Las Américas

- *Trajectories of change and psychotherapy outcomes in adolescents: Preliminary findings from a training service in a middle-income country* Jorge Valdiviezo-Oña, Universidad de Las Américas, Ecuador; Jesus Vidal, Hospital Exequiel Gonzalez Cortés; and Clara Paz, Universidad de Las Américas
- *Evaluating Therapeutic Outcomes in Children and Adolescents: A Naturalistic Study Using the YP-CORE in Chilean Mental Health Services* Olga María Fernández Gonzalez, Universidad de Chile, Santiago; Juan Pablo Del Río, Universidad de Chile, Santiago;

Rosario Matte, Universidad de Chile, Santiago; Marcela Larraguibel, Universidad de Chile, Santiago; Carlos Gonzalez, Universidad de Chile, Santiago; and Tamara Rivera, Universidad de Chile, Santiago

- *Development and Evaluation of Psychometric Measures for Adolescents in Albania: Addressing Mental Health Needs in a Resource-Limited Context* Blerta Bodinaku, University of Tirana; Skerdi Zahaj, University of Tirana; and Migena Buka, University of Tirana

Discussant:

- Randi Ulberg, University of Oslo, Norway;

Friday | 6:15 pm-7:30 pm | Aula Średnia A (130) Live-streamed

189. How do we know how to best help families in need? Effectiveness and processes of MBT-based interventions for children, adolescents, and parents [Panel [In Person]]

Organizers: Anna Georg, University of Tuebingen, Germany; Sibel Halfon, Istanbul Bilgi University;

Moderators: Anna Georg, University of Tuebingen, Germany; Sibel Halfon, Istanbul Bilgi University;

- *The Efficacy of Mentalization-Based Treatment for Children (MBT-C): 6-month Follow-up Results of a Randomized Controlled Trial* Sibel Halfon, Istanbul Bilgi University
- *Therapists' Nonverbal Coordination as a Skill that Supports Processes of Mentalization Based Treatment for Children* Oya Masaraci, The New School for Social Research
- *Is Mentalization-Based Therapy more effective than TAU-plus for adolescents with externalizing behavior disorders?* Meike Hurrel, University Hospital, Heidelberg, Germany
- *Enhancing parental mentalizing in the Lighthouse Parenting Programme for parents with serious parenting concerns* Anna Georg, University of Tuebingen, Germany

Friday | 6:15 pm-7:30 pm | Sala Seminaryjna (80) Live-stream

197. Interpersonal synchronization: Current results in diagnostics and process research [Panel [In Person]]

Organizer: Uwe Altmann, Medical School Berlin

Moderator: Uwe Altmann, Medical School Berlin

- *Parent-child synchrony in standardized play situations – A motion energy analysis study in an outpatient psychotherapy sample* Anton Marx, Ludwig-Maximilians-Universität, Munich, Germany; Maïke Eisen, Ludwig-Maximilians-Universität, Munich, Germany; Tanja Kretz-Bünese, Ludwig-Maximilians-Universität, Munich, Germany; and Corinna Reck, Ludwig-Maximilians-Universität, Munich, Germany
- *Movement Synchrony in Clinically Impaired Parental Couples During Standardized Conflict Conversations* Anamaria Semm, Ludwig-Maximilians-Universität, Munich, Germany; Anton Marx, Ludwig-Maximilians-Universität, Munich, Germany; Mitho Müller, Ludwig-Maximilians-Universität, Munich, Germany; Beate Ditzen, Heidelberg University, Germany; Hanna Christiansen, Philipps-Universität Marburg, Germany; Christina Schwenck, Justus-Liebig-Universität Gießen, Germany; Meinhard Kieser, Heidelberg University, Germany; Kathleen Otto, Philipps-Universität Marburg, Germany;

Society for Psychotherapy Research Annual Meeting – June 2025

Ricarda Steinmayr, TU Dortmund, Germany; Linda Wirthwein, TU Dortmund, Germany; Anna-Lena Zietlow, Technische Universität Dresden; and Corinna Reck, Ludwig-Maximilians-Universität, Munich, Germany

- *How Dominance and Affiliation Impact Movement Synchrony During Psychodynamic Diagnostic Interviews* Leon Christidis, German Research Center for Artificial Intelligence, Germany; Anna-Lea Reinwarth, German Research Center for Artificial Intelligence, Germany; Uwe Altmann, Medical School Berlin; Sigal Zilcha-Mano, Haifa University, Israel; Philipp Müller, German Research Center for Artificial Intelligence, Germany; Patrick Gebhard, German Research Center for Artificial Intelligence, Germany; Cord Benecke, Universität Kassel, Germany; and Janet Wessler, Medical School Berlin, Germany
- *Within- and between therapist variability in movement and physiological synchrony and its effects on symptom change* Fabienne Mink, Trier University, Germany; Rebekka Wassmann, University of Trier; Jessica Uhl, Trier University, Germany; Uwe Altmann, Medical School Berlin; Eshkol Rafaeli, Bar Ilan University; Patrick Bungart, Universität Trier, Germany; and Wolfgang Lutz, University of Trier, Germany

SATURDAY

Saturday | 8:30 am-9:30 am | LB109 (50)

202. Sexuality & Gender Identity [Brief Paper Session [in-person]]

Moderator: Nicolás González-Araneda, Universidad de Chile, Santiago; University of Groningen, Netherlands

- *Challenges and Needs in Psychotherapy with LGBT+ Adolescents Who Have Been Victims of Sexual Abuse: Perspectives and Meanings of Psychotherapists* Nicolás González-Araneda, Universidad de Chile, Santiago; University of Groningen, Netherlands; Alberto López-Vásquez, Universidad de Chile, Santiago; Claudia Capella Sepúlveda, Universidad de Chile, Santiago; and Mónica López López, University of Groningen, Netherlands
- *Inclusivity and Intersectionality in Student and Staff Mental Health* Jo Levy, University of Essex
- *Effectiveness of the Initial Assessment in the Gender Identity Support Program for TGNC Adolescents in two Chilean Public Hospitals* Jesus Vidal, Hospital Exequiel Gonzalez Cortés; Pedro Fuentes, Hospital Exequiel González Cortés; María José Lobos, Hospital Exequiel González Cortés; Helena Figueroa, Hospital El Pino; and Jess González, Hospital El Pino
- *Identity-Focused Therapist Self-Disclosure in Matched Sexual/Gender Minority Dyads: A Longitudinal Therapy Process-Outcome Study* Brian Neff, City University of New York, USA
- *From Hesitation to Participation- Exploring Parental Psychological Barriers for engaging in family therapy with their LGBTQ+ young-adults* Gabriel Peer, Ben Gurion University, Beer Sheva, Israel

Saturday | 9:45 am-11:00 am | LB12 (50)

222. To Be or Not to Be in Sync: Contemporary Perspectives on Dyadic Synchrony in Psychotherapy and Beyond [Panel [In Person]]

Organizer: Dan Sayda, Bar-Ilan University, Israel

Moderators: Dan Sayda, Bar-Ilan University, Israel; Dana Atzil-Slonim, Bar-Ilan University;

- *Quarreling and Mindfulness in Older Couples' Hormonal Synchrony: An EMA Pilot Study abstract* Dora Hopf, Heidelberg University, Germany; J.U. Gödde, Heidelberg University, Germany; Ekaterina Schneider, Heidelberg University, Germany; Beate Ditzen, Heidelberg University, Germany; Eckstein Monika, Heidelberg University, Germany; and Corina Aguilar-Raab, University of Mannheim, Germany
- *Dyadic synchrony in short segments of couple therapy sessions* Virpi-Liisa Kykyri, University of Jyväskylä; Anu Tourunen, University of Jyväskylä, Finland; Petra Nyman-Salonen, University of Jyväskylä, Finland; Wolfgang Tschacher, University of Bern, Switzerland; Markku Penttonen, University of Jyväskylä; and Jaakko Seikkula, University of Jyväskylä, Finland
- *Can Multimodality and Flexibility Explain Mixed Findings on Synchrony-Outcome Association?* Dan Sayda, Bar-Ilan University, Israel; Eran Bar-Kalifa, Ben Gurion University, Beer Sheva, Israel; and Dana Atzil-Slonim, Bar-Ilan University
- *Measuring Nonverbal Coordination as a Significant Therapist Skill in Child Psychotherapy* Zeynep Catay, New School University, New York, USA; Sibel Halfon, Istanbul Bilgi University; George Downing, Salpêtrie Hospital, France; and Miriam Steele, New School University, New York, USA

Saturday | 11:15 am-12:30 pm | Aula Duza A (600) Live-streamed

227. Advancing the examination of psychotherapy processes: Treatment courses and transtheoretical change mechanisms [Panel [In Person]]

Organizer: Brian Schwartz, University of Trier

Moderator: Brian Schwartz, University of Trier

- *Development of a single item for emotional and psychological wellbeing for children: The EPO-1-child* Tina In-Albon, University of Mannheim, Germany
- *Breaking Down Emotion Regulation as a Mechanism of Change: An Exploration of Competing Facets and Strategies* Javier Fernández-Álvarez, Fundación Aiglé, Argentina; Juan Martin Gomez Penedo, University of Kassel, Germany; Leo Bornhauser, University of Bern, Switzerland; and Martin grosse Holtforth, University of Bern, Switzerland
- *Which Mechanism Kicks in When? Temporal Changes in the Effect of Transtheoretical Factors on Symptom Distress* Brian Schwartz, University of Trier; Danilo Moggia, University of Trier; Jay Lawrynowicz, University of Trier, Germany; Julian Rubel, Osnabrueck University; and Wolfgang Lutz, University of Trier, Germany
- *Differential effect of early response on outcomes in person-centered experiential therapy and cognitive behavioral therapy for the treatment of adult moderate or severe depression* Kerry Arden, University of Sheffield, UK; Scott Baldwin, Brigham Young University, Provo, USA; David Saxon, University of Sheffield, UK; Ben Lorimer, University of Sheffield, UK; Gillian Hardy, University of Sheffield, UK; and Michael Barkham, University of Sheffield, UK

Saturday | 11:15 am-12:30 pm | Aula Średnia B (130)

**231. TREATme - Systematic reviews on moderators and mediators in youth psychotherapy
[Panel [In Person]]**

Organizer: Randi Ulberg, University of Oslo, Norway

Moderator: Vera Gergov, University of Helsinki, Finland

- *Assessment instruments for working alliance in psychological interventions with adolescents* Mariana Veloso Martins, University of Porto; Zorana Jolić Marjanović,, University of Belgrade,; Nuno Ferreira, University of Nicosia; Camellia Hancheva, Sofia University; Emma Motrico, University of Seville; Jose Mestre, Aalborg University, Denmark; Nele de Witt, Thomas More University of Applied Sciences; Sibel Halfon, Istanbul Bilgi University; Sidse Arnfred, Copenhagen Universityhospital,; Margarida Rangel Henriques, University of Porto; Nina Petričević, Teaching Institute of Public Health dr. Andrija Stampar; Marcin Rzeszutek, University of Warsaw,; Jana Volkert, Ulm University, Germany; Randi Ulberg, University of Oslo, Norway; and Fredrik Falkenström, Linnéuniversitetet [show abstract](#)
- *Patient and Public Involvement in Youth Mental Health Research* Filipa Martins, University of Porto; Julian Edbrooke-Childs, University College, London, UK; anja Cus, University of Vienna; Bettina Moltrecht, Anna Freud Center, London, UK; Camellia Hancheva, Sofia University; Catarina Pinheiro Mota, University of Trás-os-Montes and Alto Douro; Chloe Edridge, University College London and Anna Freud National Centre; Esperança Lima, University of Porto; Pietrabissa < Giada, Catholic University of Milan; Luís Costa da Silva, University College, London, UK; Maria Alves, University of Porto; Nuno Ferreira, University of Nicosia; Patricia Moreno Peral, Institute of Malaga (IBIMA), Málaga; Randi Ulberg, University of Oslo, Norway; Rose MORTIMER, University College, London, UK; Sara Carletto, University of Torino; Shaun Liverpool, Anna Freud Center, London, UK; Sonia Conejo-Cerón, University of Nicosia; Sónia Sousa, Tallinn University; Nicholas Morgan, Anna Freud Center, London, UK; Nick Midgley, Anna Freud Center, London, UK; and Célia Sales, University of Porto [show abstract](#)
- *Theories of Change and Mediators of Psychotherapy Effectiveness in Adolescents With Externalising Behaviours* Jose Miguel Mestre, University of Cádiz; Svenja Taubner, University of Heidelberg, Germany; Margarida Rangel Henriques, University of Porto; Catarina Pinheiro Mota, University of Trás-os-Montes and Alto Douro; Andrea Saliba, University of Malta; Erkki Heinonen, University of Oslo, Norway; Sara Ramos, Universidad de Cádiz; Patricia Moreno Peral, Institute of Malaga (IBIMA), Málaga; Jana Volkert, Ulm University, Germany; Asta Adler, Vilnius University; Rasa Barkauskiene, Vilnius University; Dina Di Giacomo, University of L'Aquila, Italy; Yianna Ioannou, University of Nicosia; Filipa M. Vieira, University of Porto; Jan I. Røssberg, University of Oslo, Norway; Célia Sales, University of Porto; Stefanie J. Schmidt, University of Bern, Switzerland; Tjasa S. Perdih, School of Advanced Social Studies, Nova Gorica, Slovenia; Randi Ulberg, University of Oslo, Norway; and Sonja Protić, Institute of Criminological and Sociological Research, Belgrade [show abstract](#)
- *Family predictors and moderators of treatment outcome for psychotherapeutic interventions for young people with mental disorders: a systematic review* Alexia Karain, The American College of Greece; Rosemarie Sacco, Teesside University, Middlesbrough,

UK; Clémence M. Feller, University of Genève, Switzerland; Simona A. Pascal, University of Bucharest; Elena Poznyak, University of Geneva; Vera Gergov, University of Helsinki, Finland; Stig Poulsen, University of Copenhagen, Denmark; Erminio F.A. Spadaro, University of Copenhagen, Denmark; Nigel Camilleri, University of Malta; Celia Jacobsen, University of Copenhagen, Denmark; Hanne-Sofie J. Dahl, University of Oslo, Norway; Iliana Liakea, Behavioural Science Institute Radboud University; Branka Milic, Medical University of Vienna, Austria; Ioana Podina, University of Bucharest; Tamara Prevendar, Sigmund Freud University, Vienna, Austria; Andrea Saliba, University of Malta; Sandra Torres, University of Porto; Bogdan T. Tulbure, University of Timisoara; Randi Ulberg, University of Oslo, Norway; and Eleni Voursoura, University of Athens, Greece [show abstract](#)

Discussant:

- Stig Poulsen, University of Copenhagen, Denmark;

Saturday | 11:15 am-12:30 pm | LB12 (50)

235. What can transdiagnostic CBT contribute to the question of "what works for whom and why"? [Panel [In Person]]

Organizer: Johanna Boettcher, Psychologische Hochschule Berlin

Moderator: Johanna Boettcher, Psychologische Hochschule Berlin

- *Presentation of a Protocol for Investigating Mechanisms of Change in the Unified Protocol for Emotional Disorders* Berge Osnes, University of Bergen; Jon Vøllestad, University of Bergen; and Elisabeth Schanche, University in Bergen
- *Which factors predict dropouts or unfavorable response to the Unified Protocol in group format? Results from a multicenter randomized clinical trial in Spain* Oscar Peris-Baquero, University of Zaragoza; Vanessa Ferreres-Galán, Hospital Comarcal de Vinaròs, Castellón; M^a Ángeles Torres-Alfosea, Unidad de Salud Mental Florida-Babel de Alicante; Christina Robert-Flors, Unidad de Salud Mental Font de Sant Lluís, Valencia; José Fernando Venceslá, Hospital Universitario Reina Sofía, Córdoba; Jon Belaunzaran, Centro de Salud Mental de Zarautz; Alba Quilez-Orden, Unidad de Salud Mental Moncayo; and Jorge Osma,
- *Scoping review: Treatment Elements in Transdiagnostic Interventions for Children and Adolescents with Emotional Problems* Raluca Balan, Babeş-Bolyai University; Anca Doborean, Babeş-Bolyai University; Costina-Ruxandra Poetar, Babeş-Bolyai University; Stelian Florean, Babeş-Bolyai University; Iulia Cosa, Babeş-Bolyai University; and Kristoffer Mansson, Karolinska Institutet
- *The Power of Expectations? How Patient and Therapist Perspectives Shape Therapy Outcomes* Carmen Schaeuffele, Freie Universität, Berlin, Germany; Emily Petrasch, Freie Universität, Berlin, Germany; Solveig Behr, Freie Universität, Berlin, Germany; Friederike Fenski, Psychologische Hochschule Berlin; Leona Hammelrath, Freie Universität, Berlin, Germany; Christine Knaevelsrud, Department of Education and Psychology, Freie Universität Berlin, Berlin, Germany; and Johanna Boettcher, Psychologische Hochschule Berlin

Saturday | 11:15 am-12:30 pm | LB203 (45)

236. Mentalizing Across Diagnoses and Theories: From Research to Clinical Practice [Panel [In Person]]

Organizer: Monika Olga Jańczak, Adam Mickiewicz University, Poznań, Poland

Moderator: Monika Olga Jańczak, Adam Mickiewicz University, Poznań, Poland

- *Mentalization and Posttraumatic Growth in People from Ukraine Traumatized by War and Forced Migration* Anna Sergiienko, Heidelberg University, Germany; and Svenja Taubner, University of Heidelberg, Germany
- *Exploring Self-Other Mentalizing Polarities and Attachment Insecurity in the Dimensional Diagnosis and Psychotherapy of Personality Disorders* Monika Olga Jańczak, Adam Mickiewicz University, Poznań, Poland; Dominika Górka, Adam Mickiewicz University; Paweł Jurek, University of Gdansk; and Svenja Taubner, University of Heidelberg, Germany
- *Mentalizing and Psychopathology in Young Adult University Students* Giulia Gagliardini, Universitas Mercatorum, Rome, Italy; Alessandra D'Agostino, Carlo Bo University of Urbino, Italy; and Antonello Colli, University of Urbino
- *Relations Between Mentalizing Difficulties and Internalizing or Externalizing Symptoms in Adolescents – Lessons for Research and Therapy* Małgorzata Woźniak-Prus, University of Warsaw; and Małgorzata Gambin, University of Warsaw

Discussant:

- Svenja Taubner, University of Heidelberg, Germany;

Saturday | 2:00 pm-3:00 pm | Sala Seminaryjna (80) Live-stream

255. Including children and young people's voices and perspectives in psychotherapy research [Structured Discussion [In Person]]

Organizer: Rosaleen McElvaney, Dublin City University, Ireland

Moderator: Rosaleen McElvaney, Dublin City University, Ireland

Discussants:

- Claudia Capella Sepúlveda, Universidad de Chile, Santiago
- Kerry Gibson, University of Auckland, New Zealand
- Camellia Hancheva, Sofia University
- Lucía Nuñez, Pontificia Universidad Católica de Chile, Santiago

Saturday | 2:00 pm-3:00 pm | LB203 (45)

260. Mental health challenges in times of climate crisis [Panel [In Person]]

Organizer: Andrea Rodriguez Quiroga, Turning Point Foundation

Moderator: Andrea Quiroga, Foundation Turning Point for Health and Sustainability, Barcelona, Spain

- *"Comparative Study of Psychological Responses to the Climate Crisis in Spanish and Argentinian Populations"* Arantxa Y. Arredondo, Foundation Turning Point; and Andrea Rodriguez Quiroga, Turning Point Foundation
- *"Addressing the Climate Crisis: A Scoping Review of Mental Health Interventions for Children and Young People"* Rachel Yates, Turning Point Foundation

Society for Psychotherapy Research Annual Meeting – June 2025

- *Connecting Climate Minds: uniting research, practice and lived experience to protect mental health in the climate crisis* Emma Lawrance, Climate Cares Center

Discussant:

- Andrés Roussos, Consejo Nacional de Investigaciones Científicas y Técnicas (CONICET);

Saturday | 2:00 pm-3:00 pm | Sala Konferencyjna (25)

261. The Impact of a Parent-Toddler Group on the Development of Children at Risk [Panel [In Person]]

Organizer: Christin Reisenhofer, Child Guidance Clinic Vienna

Moderator: Nestor Kapusta, Medical University of Vienna, Austria

- *The Impact of a Parent-Toddler Group on the Development of Children at Risk: The Concept of the "Viennese Parent-Toddler-Group Study"* Christin Reisenhofer, Child Guidance Clinic Vienna; Alexa Weber, Child Guidance Clinic; Peter Zumer, Child Guidance Clinic Vienna; and Frederika Apeltauer, ÖVIP
- *The Impact of a Parent-Toddler Group on the Development of Children at Risk: Young Child Observation* Alexa Weber, Child Guidance Clinic; Christin Reisenhofer, Child Guidance Clinic Vienna; and Frederika Apeltauer, ÖVIP
- *The Impact of a Parent-Toddler Group on the Development of Children at Risk: The Significance of Parental Experiences* Frederika Apeltauer, ÖVIP; Christin Reisenhofer, Child Guidance Clinic Vienna; Alexa Weber, Child Guidance Clinic; and Peter Zumer, Child Guidance Clinic Vienna

Panelist:

- Christin Reisenhofer, Child Guidance Clinic Vienna

Discussant:

- Nestor Kapusta, Medical University of Vienna, Austria;

Saturday | 3:15 pm-4:15 pm | Virtual Room 2

267. Brief Paper 3: Mental Health & Environmental Factors [online] [Brief Paper Session [online]]

Moderator: Zishan Jiwani, University of Wisconsin, Madison, USA

- *Substance Use and Trajectories of Change in Psychotherapy* Zishan Jiwani, University of Wisconsin, Madison, USA; John Curtin, University of Wisconsin, Madison, USA; Adelya Urmanche, Appalachian State University; Robbie Babins-Wagner, Calgary Counselling Centre; Derek Caperton, Calgary Counselling Centre, Calgary; Virginia Medinilla, University of Wisconsin, Madison, USA; and Simon Goldberg, University of Wisconsin, Madison, USA
- *Prevalence, characteristics, and outcomes of borderline personality disorder among suicidal adolescent outpatients* Jessica Helfrich, SUNY Upstate Medical University, Syracuse, USA; and Rebecca Shields, SUNY Upstate Medical University, Syracuse, USA
- *The Role of Nature in Mental Health and Psychotherapy* Elke Humer, University for Continuing Education Krems; and Sandra Elisabeth Aigner, University for Continuing Education Krems
- *Development of a system for routine outcome monitoring in mental health services of the National Health System of Uruguay* Denisse Dogmanas, Universidad de la República,

Uruguay; Alejandra Arias, Universidad de la República, Uruguay; Laura de Álava, University of Uruguay, Montevideo; Matias Rodriguez, Universidad de la República, Uruguay; and Soledad Bonapelch, Universidad de la República, Uruguay

- *Early interventions, measurable impacts: A big data analysis of early childhood psychotherapy and reduction in pediatric healthcare utilization* Keren Hanetz- Gamliel, The Academic College of Tel Aviv Yaffo; Daphna G. Dollberg, The Academic College of Tel Aviv Yaffo; Dorit Ben Ami, Clalit Health Services; and Sigal Sidlik Alon, Clalit Health Services

Saturday | 3:15 pm-4:15 pm | Aula Średnia A (130) Live-streamed

273. Advancing Psychotherapy Research for Youth and Adults: Meta-Analytic Insights into Mechanisms and Outcomes (CE) [Panel [In Person]]

Organizer: Anna Babl, Leiden University, Netherlands

Moderator: Anna Babl, Leiden University, Netherlands

- *Mentalization and Mental Health Outcomes in Youth with Internalizing Disorders* Malenka Areas, Universidad de Buenos Aires, Argentina; Anna Babl, Leiden University, Netherlands; Nick Midgley, Anna Freud Center, London, UK; Andrés Roussos, Consejo Nacional de Investigaciones Científicas y Técnicas (CONICET); and Juan Martin Gomez Penedo, University of Kassel, Germany [show abstract](#)
- *What Matters in Psychotherapy Outcomes for Children and Adolescents? A Three-level Meta-Analysis on Systemic Therapy* Niels Braus, Witten/Herdecke University; Christoph Flückiger, Universität Kassel, Germany; Johanna Wichmann, University Witten/Herdecke; Christian Frankmann, University Witten/Herdecke; Robin Gräfenkämper, University Witten/Herdecke; Martina Zemp, Vienna University; and Christina Hunger-Schoppe, Witten/Herdecke University [show abstract](#)
- *An Individual Patient Data Meta-Analysis on the Effects of Rupture and Repair on Psychotherapy Outcome* Anna Babl, Leiden University, Netherlands; Juan Martin Gomez Penedo, University of Kassel, Germany; Dana Atzil-Slonim, Bar-Ilan University; Tali Boritz, York University, Canada; Joana Coutinho, Universidade do Minho, Braga, Portugal; Jennifer Doran, Aalborg University, Denmark; Wolfgang Lutz, University of Trier, Germany; Elon Gersh, ; J. Christopher Muran, Adelphi University, New York, USA; Anna Mylona, ; Romy Reading, ; Julian Rubel, Osnabrueck University; Laura Steiner, Aalborg University, Denmark; Amit Tschisik, Haifa University, Israel; Orya Tishby, Hebrew University, Jerusalem, Israel; Hadas Wiseman, Haifa University, Israel; Sigal Zilcha-Mano, Haifa University, Israel; and Catherine Eubanks, Adelphi University, New York, USA [show abstract](#)

Discussant:

- Christoph Flückiger, Universität Kassel, Germany;

Saturday | 3:15 pm-4:15 pm | Virtual Room 2

267. Brief Paper 3: Mental Health & Environmental Factors [online] [Brief Paper Session [online]]

Moderator: Zishan Jiwani, University of Wisconsin, Madison, USA

- *Substance Use and Trajectories of Change in Psychotherapy* Zishan Jiwani, University of Wisconsin, Madison, USA; John Curtin, University of Wisconsin, Madison, USA; Adelya Urmanche, Appalachian State University; Robbie Babins-Wagner, Calgary Counselling Centre; Derek Caperton, Calgary Counselling Centre, Calgary; Virginia Medinilla, University of Wisconsin, Madison, USA; and Simon Goldberg, University of Wisconsin, Madison, USA
- *Prevalence, characteristics, and outcomes of borderline personality disorder among suicidal adolescent outpatients* Jessica Helfrich, SUNY Upstate Medical University, Syracuse, USA; and Rebecca Shields, SUNY Upstate Medical University, Syracuse, USA
- *The Role of Nature in Mental Health and Psychotherapy* Elke Humer, University for Continuing Education Krems; and Sandra Elisabeth Aigner, University for Continuing Education Krems
- *Development of a system for routine outcome monitoring in mental health services of the National Health System of Uruguay* Denisse Dogmanas, Universidad de la República, Uruguay; Alejandra Arias, Universidad de la República, Uruguay; Laura de Álava, University of Uruguay, Montevideo; Matias Rodriguez, Universidad de la República, Uruguay; and Soledad Bonapelch, Universidad de la República, Uruguay
- *Early interventions, measurable impacts: A big data analysis of early childhood psychotherapy and reduction in pediatric healthcare utilization* Keren Hanetz- Gamliel, The Academic College of Tel Aviv Yaffo; Daphna G. Dollberg, The Academic College of Tel Aviv Yaffo; Dorit Ben Ami, Clalit Health Services; and Sigal Sidlik Alon, Clalit Health Services
